

## Communication in Coding Interview

### Eliminating Ambiguity

1. integer or float?
2. Are we allowed to do this?
3. Is there a cap for the inputs?

### Voice Your Thought Process

1. Speak out my thinking process.
  - tell the reason why I choose to go this direction

### Discussing Tradeoffs

1. Have to discuss tradeoffs of my solutions
2. On the one hand, it would be better. On the other hand, it would be better. Overall, I think A or B is better choice because of ... So I would go ahead to choose A or B.

### Proactively Asking for Approval

1. When you are stuck, ask for help or hint from interviewer by asking am I on the correct track?
